AUDIO-VIA-IP IN GERMANY

Italian manufacturer MAYAH and partners recently hosted a conference/workshop on the development of Audio-via-IP technology and other topics. Videos of the presentations are available at www.mayah.com and a German version of the event is planned at Mayah's offices near Munich Airport on March 1 and 2. For information on this telephone +49 811 5517 0 or e-mail: seminar@mayah.com
